

## YOUR EVENT AT CASALINGA...

### **THANK YOU FOR CONSIDERING US TO HOST YOUR EVENT.**

Peter and Jenny De Luca infused Casalinga with magic and love as they worked together to design and build their beautiful rustic restaurant. While the menu is deeply rooted in the Italian countryside, Casalinga contains many references to more local history, with its hardwood beams and stained-glass windows reclaimed from demolished houses on the Randfontein Mining Estate. In keeping with the narrative of the area, they struck a rich seam themselves, unearthing a desire on the part of Johannesburg residents to come together and celebrate life, love and linguini.

The elegant yet relaxed ambience of Casalinga is reflected in the rich, eclectic furnishings which – just like the menus – reflect the personal tastes of the owners, and their passion for food and family time. Two very Italian priorities in life, perfectly fused at Casalinga. Grace and style make for a place where people can unwind, be themselves, and enjoy a wonderful meal in the very best company.

Just off Beyers Naudé Drive in Muldersdrift, Johannesburg, Casalinga allows city dwellers to easily escape from the malls and traffic jams and take sanctuary in the countryside, whether for an intimate dinner for two or a business lunch, a family birthday or a product launch.

Casalinga's deliciously authentic food has helped establish us as one of Gauteng's leading restaurants. Through the years, we've received many awards and accolades, including 'Best Sunday Lunch' and 'Most Romantic Restaurant'. Owner and founder Jenny De Luca explains the philosophy behind this success in her own words: "Casalinga is simple; we try and make it as intimate as possible and an extension of our home". We strive to create the finest contemporary Italian cuisine using only fresh, natural ingredients, free of preservatives and artificial substances. Our vegetables and herbs are organically grown on our beautiful farm to ensure the highest quality.

The Casalinga dining experience is about sharing life's important moments – large and small – with the people we love, over meals that won't cost the earth.
